

Services

Sell products & services, increase efficiency and more...

Our software is perfect for your business and deployed by many big brands globally. We have listed general everyday problems you may face that Emperium can easily solve.

! Problem	Emperium Software Feature	✓ Solution
I have more than one service and I wish to sell products	HOT KEYS	Easily sell services for certain garments, sizes and even sell products.
I need to see my best and worse services	REPORTS	Monitor profit and loss. See sales for categories like beverages and food with stock levels.
I want to know who is operating the EPOS System	STAFF MANAGEMENT	Loss Prevention and minimal shrinkage methods as well as knowing who has access rights to certain functions on the EPOS Hardware with Emperium software enabled
I want to offer discounts to regulars to retain customers	LOYALTY MODULE	You have the ability to calculate prices by customer type
I want to send text messages to my customers	SMS MARKETING	We can provide a service to let your customer know when your shirt is ready.
